

HYDE PARK AND PADDINGTON NEIGHBOURHOOD AREA

Residents and Businesses in the Hyde Park Estate, Paddington Business Improvement District and the Developers of Paddington Waterside have formed a partnership.

HAVE YOUR SAY - SETTING THE POLICY FOR OUR OWN AREA

The Proposal

- A new **Neighbourhood AREA** bringing together our existing and new residential areas in Paddington and Hyde Park - welcoming our new residential and commercial communities in Paddington Waterside.
- **Encouraging new investment** in the town centres of Praed Street and Edgware Road - where major improvements are needed
- Setting up a **Neighbourhood FORUM** where we can set our own clear planning policy framework under the Government's new Localism proposal.

The Advantages of a Hyde Park and Paddington Neighbourhood

- We would be able to take **more control over planning policy**
- **Work independently**, but in partnership with the Council
- Create an **independent and representative Board** - Residents and Businesses
- Set a **vision for the future** of Hyde Park and Paddington
- **Direct investment in Edgware Road and Praed Street Town Centres**

The Next Steps

- Consultation for the designation of a **NEIGHBOURHOOD AREA** - is until 28th June.
- We will then consult widely about creating a **NEIGHBOURHOOD FORUM**.
- We are working together with our local partners SEBRA, PWMVS and the Marylebone Association to create a strong partnership of local views and opinions.
