Influence future development in Hyde Park and Paddington

The City Council has received an application to designate a Neighbourhood Forum in Hyde Park and Paddington.

The role of the Hyde Park and Paddington Neighbourhood Forum will be to lead and undertake neighbourhood planning.

This will give the community of Hyde Park and Paddington a chance to influence development and change their neighbourhood. Neighbourhood forums need to represent the community, with a mix of residents and businesses. What do you think about the proposed Hyde Park and Paddington Neighbourhood Forum?

Consultation will end on Thursday 20th April.
